

2025 Impact Report

Philanthropy at work: Empowering youth to learn and grow through tennis.

Mission

Blue Sky Tennis is a sports-based youth development nonprofit that creates opportunities to play tennis in under-resourced communities and promotes health and well-being. We remove cost barriers often associated with sports education, and provide a fun, safe and inclusive environment where friendships and life skills develop.

Vision

A thriving, inclusive community where every child, regardless of background or resources, has the opportunity to learn, play and grow through the sport of tennis.

Participation

613 attendees in 2025
820 attendees since 9/24
420 unique participants

Coaches

6 paid coaches
Safe Play certified
27 volunteers

Year-round Programs

Try Tennis - sport sampling
Classes & Camps
Pop-up Match Play

The Youth We Serve

Our outreach is focused on youth in under-resourced communities in Washtenaw County. Some programs work directly with Title I schools and local agencies, while other programs provide public access to all area children.

Snapshot in Ypsilanti:

28% participate in sports

\$44,000 average
household income

1 in 3 are obese
